

New England States Government Finance Officers Association  
Board of Director's EMAIL Meeting Minutes  
March 5, 2018

Approved: April 5, 2018

1. Scholarship Budget change as requested by the Scholarship Committee:  
The scholarship budget contains awards for the Fall Conference \$300, National Conference \$1,500 and three Academic Scholarships \$1,000. As there are no applicants to date for the Fall Conference, and the National Conference winners are unable to attend the committee recommends offering five Academic Scholarships. President Finch requests each board member to vote on awarding five Academic Scholarships.
